EDUCATION

Maulana Azad National Institute of Technology, Bhopal

B.tech in Computer Science & Engineering

2023-2027

- CGPA : 8.28

GVN The Global School, Bhopal

2019-2023

- Class 12th CBSE % : 89.6

- Class 10th CBSE % : 92.4

TECHNICAL SKILLS

Languages: Proficient in C, C++, and Java, with hands-on experience in writing efficient, optimized code for various applications.

CAD: Skilled in using LibreCAD for 2D design, drafting, and creating precise engineering drawings.

Courses: Completed coursework in Data Structures and Algorithms, gaining in-depth knowledge of fundamental concepts and their application in problem-solving.

Other Skills: Experienced in video editing using KineMaster, with a focus on producing high-quality, engaging content.

Areas of Interest: Passionate about Competitive Programming, continuously improving problem-solving skills and participating in coding competitions.

SOFT SKILLS

Efficient Time Management: Skilled at prioritizing tasks to meet deadlines while maximizing productivity, consistently handling multiple projects with precision.

Good Listener & Optimistic: Strong communication skills with a positive attitude, fostering collaboration and a productive work environment.

Persistent Under Pressure: Thrives in challenging environments, delivering high-quality results under tight deadlines with resilience and determination.

ACHIEVEMENTS

JEE Advanced 2024 : Secured rank 11013 out of 180200 students.

JEE Advanced 2023 : Secured rank 14358 out of 180372 students.

JEE Mains 2023 : Secured rank 8524 out of 1113325 students.

KVPY 2021 : Secured rank 1248 out of 1 lakh students.

Qualified National Talent Research Examination (NTSE) Stage 1 in 2019.

HOBBIES AND INTERESTS

Fitness & Discipline: Play badminton and go to the gym regularly to stay fit and disciplined.

Problem-Solving: Solve coding challenges in free time to sharpen problem-solving skills.

Relaxation & Culture: Unwind by listening to music and watching movies, enjoying the opportunity to explore and appreciate different cultures.
